**FOR IMMEDIATE RELEASE**

**nuVizz Named a Technology Association of Georgia (TAG) Top 10  
Innovative Technology Company**

ATLANTA (February 29, 2016) – The Technology Association of Georgia (TAG), the state’s leading association dedicated to the promotion and economic advancement of Georgia’s technology industry, today announced nuVizz Inc. as one of its Top 10 Innovative Technology Companies in Georgia – part of its overall Top 40 Innovative Technology Companies in Georgia. TAG will recognize this prestigious group at the 2016 Georgia Technology Summit (GTS) on March 17, 2016, at the Cobb Galleria Centre.

“The 2016 Top 40 finalists are an elite group of innovators who represent the very best of Georgia’s Technology community,” said Tino Mantella, president & CEO of TAG. “The 2016 Top 40 finalists are shining examples of what makes our State such a hotbed for technology and we applaud them for standing out as leaders in Georgia’s technology community.”

nuVizz’s commitment to innovation in the mobile and supply chain industries acts clearly marks them as a thought leader and trailblazer. Their suite of mobile apps – GoJentha™, nuDeliverIT, vehmo and WellRyde – provide comprehensive delivery management and crowdsourced workforce solutions to extend the capabilities of virtually any business.

The 2016 Georgia Technology Summit is expected to draw a crowd of more than 1,300 C-level executives, entrepreneurs, technology professionals and academia to celebrate and recognize Georgia’s technology community. In addition to presentations from some of the top technology influencers in the nation, the newest member of the Technology Hall of Fame of Georgia will be inducted.

For more information about TAG and the Georgia Technology Summit and to register for the event, visit <http://www.tagonline.org/events/georgia-technology-summit> Follow the conversation on Twitter through #TAGGTS.
